Safer Recruitment Training:

Safeguarding Children and Safer Recruitment in Education (2011) requires that the Directors must have completed Safer Recruitment training, delivered by accredited trainers.

At least one member of an appointment panel within Pony Partnerships will have undertaken appropriate training in how to take proper account of the need to safeguard and promote the welfare of children when recruiting staff.

Within Pony Partnerships, the following people hold this certificate; at least one of these will be involved in any recruitment process:

- Danielle Mills (Director)

Elements of Safer Recruitment:

Safer practice in recruitment means applying due diligence to child protection and safeguarding and promoting the welfare of children and vulnerable adults at every stage of the process. This starts with recruitment and, where the post is advertised, ensuring that this makes clear our safeguarding commitment including the following safeguarding statement throughout:

Pony Partnerships CIC is committed to safeguarding and promoting the wellbeing of all our clients; this includes a robust recruitment, selection and induction procedure.

Consistent and thorough procedures for obtaining, collating, analysing and evaluating applicant information will be followed. Pony Partnerships CIC uses a standard application form for all candidates and does not accept CV's.

The process includes:

- Establishing members of the recruitment panel
- Ensuring the job description makes reference to Pony Partnerships CIC's safeguarding commitment
- Ensuring the person specification includes specific safeguarding reference about the 'suitability to work with children and vulnerable adults'
- Careful scrutiny of applicant information including: gaps in (which are investigated and documented, with reasons, in the interview file)
- Ensuring two independent references which require referees to respond to Pony Partnerships CIC's safeguarding commitment about the 'suitability to work with children and young adults'
- A face-to-face interview that probes the candidate's suitability to fulfil the essential requirements of the post
- Verifying the applicant's identity, enhanced DBS, academic and vocational qualifications, health and physical capacity, employment history and experience
- Verifying the right to work in the UK and police checks (for overseas' candidates);
- Making further checks should a person have lived or worked outside of the UK.

Shortlisted staff will be subject to online searches as part of due diligence checks.

Staff induction records are filed as a permanent record of this including references. These are stored in staff personnel files in accordance with Pony Partnerships CIC's Privacy Policy, GDPR, and Data Protection 2018.

DBS Checks

All staff and tutors (including Students and Volunteers (without barred list) where applicable) are required to have an enhanced DBS certificate. For staff registered with the DBS Update Service, an update check will be performed every year; providers contracting our service have permission to check the update system. Where an update check reveals a change of information, a new enhanced DBS check will be required. If the staff role does not include 'regulated activity', a barred list will not be requested.

Regulated activity is defined as (Schedule 4 of the Safeguarding Vulnerable Groups Act 2006 as amended by the Protection of Freedoms Act 2012):

Pony Partnerships CIC (12448033) c/o 84 Cheal Close, Shardlow, Derby, DE72 2DY
07505951793/info@ponypartnerships.com/www.ponypartnerships.com

Regulated activity includes:

- a) teaching, training, instructing, caring for (see (c) below) or supervising children if the person is unsupervised, or providing advice or guidance on well-being, or driving a vehicle only for children,
- b) work for a limited range of establishments (known as 'specified places', which include schools and colleges), with the opportunity for contact with children, but not including work done by supervised volunteers

We expect all staff to notify the Directors of any cautions or convictions accrued whilst in the employment of this school. Failure to do so could result in disciplinary action.

Conditional Offer of Employment/Contracting – Pre-employment/contract Checks

A conditional offer will only be made when the process (listed above) has been followed. In addition;

- satisfactory completion of the probationary period.

NB: In any case where a reference has not been obtained on the preferred candidate before interview, the chair of the interview panel must ensure that it is received, all questions answered and scrutinised, and any concerns are resolved satisfactorily, before the person's appointment is confirmed.

All checks will be:

- Documented and retained on the personnel file (subject to relevant advice contained in the DBS Code of Practice and our own data protection policy); and
- Followed up where they are unsatisfactory or there are discrepancies.

Post-Appointment - Induction

There is an induction programme for all staff (regardless of previous experience) newly appointed to Pony Partnerships CIC. The purpose of induction is to:

- Provide training and information about policies and procedures
- Support individuals
- Confirm the conduct expected of staff within Pony Partnerships CIC (Staff Code of Conduct)
- Provide opportunities for a new member of staff or volunteer to discuss issues or concerns about their role or responsibilities during the probation period/induction
- Support other staff to recognise and address concerns or issues about the new member of staff's ability or suitability and address them effectively
- In order to maintain safer working practices and a safeguarding first approach, staff conduct will be monitored. This may include online searches. All staffs should be familiar with reported processes for allegations against other members of staff (see Safeguarding policies)

The induction will consist of a number of activities included in the staff induction packs

NB – all staff are expected to hold or complete on appointment Level 2 Safeguarding. They will also be offered a variety of free online training that can be completed on a voluntary basis or by agreement with the Directors should it be identified as an area of need within the scope of their role.

The Single Central Record

We keep a Single Central Record (SCR) as described in Keeping Children Safe in Education 2023.

The SCR includes all employees, supply staff, relevant consultants those involved in regulated activity, Governors, alternative providers and volunteers. The Single Central Record must indicate whether or not the following have been completed:

Pony Partnerships CIC (12448033) c/o 84 Cheal Close, Shardlow, Derby, DE72 2DY
07505951793/info@ponypartnerships.com/www.ponypartnerships.com

- Identity checks
- Barred list check (as relevant for those engaged in regulated activity)
- DBS certificate (previously an enhanced CRB disclosure)
- Qualification checks for any qualifications legally required for the job
- Checks of permission to work in the United Kingdom
- Further overseas criminal records checks where appropriate (see 'Keeping Children Safe in Education 2019 for advice on staff who have lived or worked out the United Kingdom)

Volunteers

Under no circumstances should a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

Volunteers who, on an unsupervised basis work with children regularly on a one-off basis in Pony Partnerships CIC, will be in regulated activity. Pony Partnerships CIC will obtain an enhanced DBS certificate (which should include barred list information) for all volunteers who are new to working in regulated activity. Existing volunteers in regulated activity do not have to be re-checked if they have already had a DBS check (which includes barred list information). However, Pony Partnerships CIC may conduct a repeat DBS check (which should include barred list information) on any such volunteer should they have concerns.

There are certain circumstances where Pony Partnerships CIC may obtain an enhanced DBS certificate (not including barred list information), for volunteers who are not engaging in regulated activity (ref www.gov.uk/DBS-workforce-guides). Employers are not legally permitted to request barred list information on a supervised volunteer as they are not considered to be engaged in regulated activity.

Pony Partnerships CIC will undertake a risk assessment and use their professional judgement and experience when deciding whether to obtain an enhanced DBS certificate for any volunteer not engaging in regulated activity. In doing so we will consider:

- the nature of the work with children;
- what Pony Partnerships knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers;
- whether the volunteer has other employment or undertakes voluntary activities where referees can advise on suitability;
- whether the role is eligible for an enhanced DBS check; and Details of the risk assessment should be recorded (appendix one).

Where unsafe practice has been identified:

Where any misconduct or unsafe practice is identified, then appropriate procedures will be followed (see Safeguarding Policies) in addition to the relevant internal reporting expectations.

The Recruitment of Ex-Offenders

The Disclosure and Barring Service (DBS) will also assess the applicant's suitability for positions of trust so that that schools comply fully with the expectations regarding safer recruitment and fair treatment of all applicants. Pony Partnerships CIC will not discriminate unfairly against any subject of a disclosure on the basis of a conviction or other information revealed.

Pony Partnerships CIC is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.

As part of the recruitment process, paperwork is held with the Directors that requires completion should a

disclosure be made.

We actively promote equality of opportunity for all and believe that the right mix of talent, skills and potential ensure that Pony Partnerships CIC welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience (as outlined in the person specification).

A disclosure is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that disclosure will be requested in the event of the individual being offered the position

Where a disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent marked 'confidential' and addressed to the Directors. We guarantee that this information will only be seen by those who need to see it as part of the recruitment process if the candidate is offered the job. The sealed envelope for those not offered the job will remain unopened and will be destroyed.

Unless the nature of the position allows Pony Partnerships CIC to ask questions about the applicant's entire criminal record, we will only ask about unspent convictions as defined in the Rehabilitation of Offenders Act 1974.

We ensure that all those at Pony Partnerships CIC who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders eg the Rehabilitation of Offenders Act 1974

At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matters that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

We undertake to discuss any matter revealed in a disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar an applicant from working with us. This will depend on the nature of the position and the circumstances and background of the offences.

Where offences are disclosed a risk assessment may be required as part of a probationary period.
