### **Pony Partnerships: Statement on Equal Opportunities**

Pony Partnerships is committed to implementing and promoting equal opportunities in its activities, services and practice. It realises that discrimination exists in society (whether protected by law or not), and believes that this prevents potential and ability from being realised.

Pony Partnerships will not tolerate discrimination on the basis of:

- Race
- Colour
- Gender
- Sexual orientation or identity
- Ethnic or national origin
- Disability
- Partnership status or home responsibility
- HIV or AIDS status
- Age
- Political or religious belief
- Trade union activity
- Socio-economic background
- Refugee or asylum seeker status

As a provider of a service to the community, Pony Partnerships accepts the responsibility to promote equal opportunities and challenge discrimination wherever it occurs. This document sets out the main consequences of this commitment and the action to be taken in order to achieve equal opportunities.

Pony Partnerships recognises that some users of its services may, because of their past or present distress or illness, say or do things which would otherwise be unacceptable and incompatible with Pony Partnerships' Equal Opportunities Policy. Pony Partnerships will do all it can to challenge such behaviour. In cases where intervention is possible a gentle approach will be adopted which aims to alter attitudes and behaviour while maintaining support for the distressed client.

Pony Partnerships reserves the right to open its membership to any organisation who supports our aims and objectives. However, it will exclude from membership those organisations that actively work against the development of an equal opportunities policy over time, despite encouragement from Pony Partnerships.

Pony Partnerships realises that a genuine commitment to equal opportunities must operate on all levels:

- Pony Partnerships will prevent unfavourable treatment, directly or indirectly, upon individuals from any group facing discrimination in its recruitment and deployment of human resources. Where discrimination does occur, it will be dealt with through the agreed procedures. This will be achieved by following the Pony Partnerships Equal Opportunities Policy.
- Pony Partnerships will seek to prevent discrimination and ensure equal representation in the services it provides, the structures that it facilitates and the practice through which it carries out its work. This involves the development of greater diversity in the directors, networks and membership, to ensure a genuinely wide representation.

### **Responsibility**

1.1. The Directors of Pony Partnerships has overall responsibility for the effective operation of this policy. However, all staff, volunteers and service users have a duty as part of their involvement with Pony Partnerships to do everything they can to ensure that the policy works in practice. Those responsible for recruiting staff/volunteers to work in Pony Partnerships projects are responsible for ensuring that they are aware of Pony Partnerships Opportunities Policy and adhere to it while working as Pony Partnerships volunteers.

1.2. Pony Partnerships will bring to the attention of all staff, volunteers and service users the existence of this policy, and will provide such training as is necessary to ensure that the policy is effective and that everyone is aware of it.

1.3. If any service user staff member or volunteer feels that they have been, or are being discriminated against, in any way, they are entitled to pursue the matter with the Management.

1.4. All instances or complaints of discriminatory behaviour will be treated seriously.

1.5. Complaints or allegations of an unfounded or malicious nature will also be treated as serious.

### **Disabled Access**

- 1.9. All materials used or developed by Pony Partnerships will be judged in the light of the promotion of equal opportunities, and those considered to be discriminatory will not be used.

### **Sexual Harassment**

- 1.10. No staff, volunteer or service user should be subject to sexual harassment.

  - repeated remarks which an individual finds offensive
- 1.12. If it has been made clear to the person concerned that their behavior is unwelcome and they persist with it, then the service user, staff member or volunteer who is the recipient of the behaviour will be entitled to make a formal complaint.

### **Monitoring and Review**

The Policy will be constantly reviewed by the Directors to ensure that no Member of the group is put to a disadvantage either, directly or indirectly. This monitoring will apply to the practices of staff and volunteers, the member organisation, the composition of the Directors and the provision of services.

It is the responsibility of every individual to eliminate discrimination and to ensure the practical application of this Policy.

The Directors of Pony Partnerships will review this policy every 2 years.
